**Regulations for Using the Band Room**

1. To book and use the Band Room, users must present their User Card and Student/Staff ID Card. The User Card is for the use of the registered card holder only. This policy is in place to reduce the risk of unintended damage to the valuable equipment and to enhance accessibility for university students and staff who are learning or playing musical instruments.
2. Each user is allowed to book and use the Band Room for a maximum of one hour per day. Bookings and check-ins must be made in person at the LG3 Student Support & Activities Counter. Cancellation can be made in advance by email to [stuam@ust.hk](mailto:stuam@ust.hk) or at LG3 Counter in advance.
3. Periodic checks will be conducted to ensure that users are attending their appointments. If a user is identified as having missed more than one appointment within a week, they will receive a warning. If the user continues to be a no-show, their booking rights will be suspended for a month.
4. Staff members cannot book in advance but can walk-in and sign up to use the room if it is not reserved or 10 minutes after the user has failed to show up.
5. If a Band Room User Card holder wants to use the Band Room with other student/staff, please email their name, SID no. and purpose to [stuam@ust.hk](mailto:stuam@ust.hk) no later than 2 working days before the booking for consideration.
6. The User Card expires with the student's ID card for students and with employment at HKUST for staff.
